

FAUCET & PLUMBING HARDWARE MANUFACTURER

SONTEL INDUSTRIES LIMITED

QUALITY IS THE PRIME KEY TO SUCCESS

Sontel is a manufacturer and designer of quality bathroom mixers, accessories and shower columns. Since its establishment in 1998, Sontel has built a reputation for consistently supplying products with a focus on manufacturing, design and value.

Sontel's factory is located in Taizhou, China and it has sales office in Shanghai. The manufacturing operations are fully accredited with international standards, ensuring consistent quality. High level production lines are adopted full in-house cycle. Foundry - CNC Lathes - Chromium Plating - Testing – Packaging. All manufactured products are designed and made to stringent quality standards.

All Sontel products are CE approved (EN817, EN1111), partly are ACS, WRAS and WELS rated. By displaying the above standards mark our organization is continuing to meet the requirements of management system approaches, the international quality standard, ISO 9001.

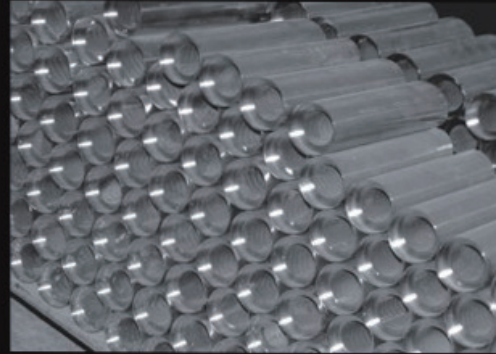

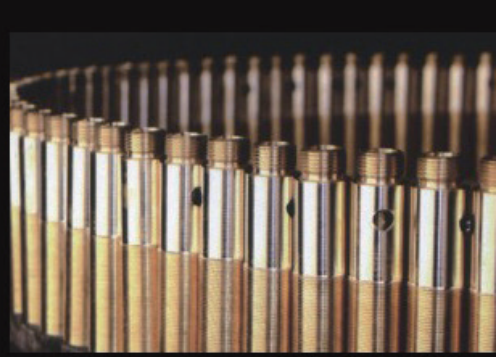

To stand still is to be left behind. We are committed to ongoing product development, ensuring the latest market trends and requirements.

As a manufacturer, overhead costs are controlled, enabling us to maintain both affordability and a quality product. We aim to be the supplier of choice of customers, customers can choose any of our products to add to your existing range. Presently, we supply to many importers, hardware chain stores and commercial outlets around the world.

Through Sontel's vast manufacturing resources, we are able to provide OEM services. if you are a manufacturer, we can work with you to produce to your specification.

Our resources are not limited to faucets and accessories – our manufacturing ability is across many segments and ranges of sanitary ware.
